Hi Roxanne and Rich.

Please look over this letter, regarding the recent derivative deliverables under 6 & 7. We did not include any of Randy's comments on the SAP because we already had that discussion on the phone and are waiting for the Navy to respond with a memo. It would be helpful if you can review this letter early this week, perhaps EOD Wednesday. I'll check back in if I don't hear back by then.

If you have no comments please sign and return.

Thanks
